# SUCCESS STORIES

## THOUGHT & ACTION

Divya and Manisha

Ba...the lady from Lasundra village is a regular visitor of Pathshala. She comes here to mow the lawn manually and she takes it for her buffaloes.

On this day, our children were busy managing their village food stalls. They were quite tired because of the heat. The temperature was almost 40 degrees celcius. While they saw Ba carrying this load, these two girls immediately went and carried it.

## LEARNING NEW SKILLS

We've got a new handloom machine at Pathshala and we started a Weaving class. Children learnt very fast and created a few mats woven from reusable materials, ready for the market in less than 24 hours.
