SROTOSHWINI TRUST

UTSAV 2024

With incessant rain and thunderstorms, we celebrated the 5th birthday of Pathshala Hostel on Sep 29, 2024.. Very few people could join us. However, children did their best. Something to learn from them. In the afternoon, I came to know that many interested people would not be able to join us because of weather conditions, I shared it with the children and they said, 'agar ek bhi audience aten hain to bhi hum perform karenge'... And they did their best.

Our heartfelt gratitude to Mr Rohit Prajapati, a theatre practitioner and film maker, who could join us. We are really grateful to the few guests and the teachers who could make it today.

PATHSHALA PROJECT DIVERSITY

The project (Project Based Learning method) in July for the children was on 'Diversity'. The focus was to respect each other's views and way of life and never forget we come from various places and have various ways of life. Some activities we carried out were -

- The children enjoyed food from all corners of the country
- They dressed up in different cultural dresses
- They participated in guest sessions like members from the Lakshya Trust who discussed lives of the LGBTQ community
- They visited Akshar Trust and the Reach Center to learn how to do collaborative work.
- They made models of different types of Birds' nest

SUCCESS STORIES

MAMTA JOINS MSU

Mamta is the first one from Pathshala who has got the chance to study in Maharaja Sayajirao University of Baroda. Mamta joined Pathshala in 2014-15 when we were at Parsuram Bhatta. She has taken Zoology honours.

It's a very fulfilling experience for all of us. Congratulations and blessings to her.

RANI: DONATES PORTION OF HER FIRST SALARY TO THE TRUST

Rani joined Pathshala in 2015 when we were at Parsuram Bhatta. She studied in a school and joined Pathshala for some extra support. After class 8, her financial condition did not support her to continue studies and she became a full time student of Pathshala. As the eldest daughter of 7 siblings, she had to do household chores daily.

Sincere, hard working Rani cleared her 12th from NIOS and joined Pathshala as hostel mother. She has joined BBA a correspondence course of IGNOU. She started taking classes too at Pathshala.

After getting the first salary she donated some amount to Pathshala. And she has committed to donate some amount for every month. A very special moment for all of us.

PEOPLE BEHIND THE SCENES

An organization always does better when like-minded people put their minds together to achieving bigger dreams and goals. Beyond our immediate volunteers, teachers and mentors, we have an accomplished set of diverse citizens of Vadodara who are our sounding board for ideas and execution details. The diversity of viewpoints they bring to the table, truly challenge us to be better and make more informed decisions.
