# PATHSHALA WORLD LANGUAGE - SPANISH

We are really grateful to Patricia, Emma, Lelu, Yoli and Andreas Nünning for teaching Spanish to our children in such a fun and loving environment for 3 months. It truly shows that you don't need to have a common language if there is love and compassion. Our children performed a short skit where they conversed in Spanish in a restaurant scene. This was recorded and shown in Umang 2025 on May 9.

# PATHSHALA PROJECT SPORTS CULMINATION

Rabindranath Tagore said, learning through experience, activities, and engagement with the natural world, rather than rote memorization and rigid classroom structures. The PBL projects of Pathshala are based on experiential learning. The culmination of Project 'Sports' was an integral part of Pathshala's birthday celebration on the 9th of May. All the teachers did a fantastic job with the leadership of Paras Mahendru supported by Jyotsna Akre.

# PATHSHALA BIRTHDAY UMANG 2025

Pathshala completed 12 years. Sandhya Bordawekar Gajjar Ma'am was our Chief Guest for the event. Glimpses of our cultural programs staged by our children for all our well wishers.

# SPOTLIGHT

## RADHA - STUDENT OF THE YEAR

Radha has an extremely positive attitude towards life. She is dutiful, proactive, extremely responsible, very good in painting and a very good dancer. She paints the canvas with the same passion, she mops the floor. A rare quality indeed.

## UTTAVALI WINS HOUSE OF THE YEAR

Utavli House collected maximum points for their all round development. They were The House of the year 2024-25 of Pathshala.

# PEOPLE BEHIND THE SCENES

An organization always does better when like-minded people put their minds together to achieving bigger dreams and goals. Beyond our immediate volunteers, teachers and mentors, we have an accomplished set of diverse citizens of Vadodara who are our sounding board for ideas and execution details. The diversity of viewpoints they bring to the table, truly challenge us to be better and make more informed decisions.
